

HOW DO YOU WANT TO CONTRIBUTE?

Articles **teach**. Field Intel **reports**.

ARTICLES

Teach a skill. Explain a system. Share knowledge.

Articles break down how things work, why they matter, and how to apply them in real life.

EXAMPLES:

- ✓ Water purification
- ✓ Food preservation
- ✓ Navigation
- ✓ Communications

FIELD INTEL

**Report an observation. Share a lesson learned.
Document a real-world result.**

Field Intel captures what happened, what worked, what failed, and what others can learn from.

EXAMPLES:

- ✓ Gear tests
- ✓ Equipment failures
- ✓ Field observations
- ✓ Lessons learned

**TERTIARY
PREPPER™**

DIFFERENT MISSIONS. SAME GOAL.

BUILDING PREPAREDNESS THROUGH KNOWLEDGE AND EXPERIENCE.
